

Take trash bags to the local collection site by 8:30 on collection days.
Do not take them to the site on non-collection days, or after collection, or at nighttime.
Trash bags in violation of this rule will not be collected.

Category	Principal Items	Notes
Every Tue, Thu, Sat Burnables (Combustible trash) 	Foodwaste, paper, diapers, plastic bags, leather products, grass and tree branches, plastic trays and packages, detergent containers, wrapping film boxes, cassette tapes and CDs, aluminum foil, rubber products, disposable heating pads, stuffed toys, used and coagulated edible oil, shells, plastic products (except recyclable PET bottles), styrene foams, and refrigerants 	<ul style="list-style-type: none"> Use trash bags designated by the town, and please make sure to close the bag tightly. (3 types: 45ℓ・30ℓ・20ℓ) Please drain food waste before disposing. Please refrain from disposing spray cans because it can be dangerous.
Every Wed Non-Burnables (Incombustible trash) 	Glasses, flower vases, cooking pans, hair dryers, cans and bottles for other than food or beverages (e.g., cosmetics), cans for edible oil, small-sized household electrical appliances that can be put in a designated trash bag (e.g., rice cookers), pans, fluorescent lamps, plate glass, electric bulbs, dishes, plates, flowerpots (except plastic pots), metal caps, spray cans, used cigarette lighters, plastic kerosene tanks that can be put in a designated trash bag, and umbrellas 	<ul style="list-style-type: none"> Use trash bags designated by the town, and please make sure to close the bag tightly. (2 types: 30ℓ・20ℓ) Please use up completely the spray cans or empty the gas where there is not heat of fire before disposing, because it is a cause of explosion. Umbrellas and electric appliances that do not fit in the designated trash bags will be considered oversized garbage. Please wrap glass materials and edged tools (cutlery) in sheets of newspaper before disposing. Please put the fluorescent lights and lamps in a non-burnable trash bag designated by the town, without others non-burnable trash. Batteries and thermometers are to be put in designated "hard-to-manage materials to Disposal" bags, distributed by Ami City Office.
Every Wed Recyclable Garbage (trash) 	Newspaper, paper products (magazines, books, fliers, leaflets, cookie boxes, etc.), corrugated boards, milk cartons, and clothes. (Put these in a bag for burnable trash, designated by Ami Town, for disposal.) 	<ul style="list-style-type: none"> Tie up paper products crosswise with strings, for each product type. Do not take paper waste to the local collection site on a rainy day. (If it rains, dispose of paper waste on the next collection day or later.) Dusters, vinyl products, leather products, and dirty clothes are disposed of as burnable trash.
Every Fri Recyclable Garbage (trash) 	Aluminum cans for food and beverages, steel cans, canned food for pets, bottles for food and beverages, PET bottles (for beverage, liquor, or soy sauce, with a sign of ♻️) 	<ul style="list-style-type: none"> Please make sure to separate the garbage and dispose them to the designated containers for each waste. Please take off the cap (lid), empty and rinse before disposing. Please take off the label and crush PET bottles before disposing. Also crush cans before disposing.
Oversized Garbage (trash) 	Furniture, such as chests, beds, couches, desks, chairs, bookcases, cupboards, bedclothes, cushions, blankets, electrical blankets, fans, audio sets, microwaves, heaters, and other electrical products, bicycles, carpets, sinks, gascookers, electronic pianos, spring mattresses, etc. *Bedclothes are disposed of as bulky waste, regardless of size, for the sake of processing.	<ul style="list-style-type: none"> Never take these items to the local collection site. A large volume of grass and twigs should be brought directly to the Clean Center. (In this case, the length of twigs should be 200 cm or less, and the diameter 10cm or less.)
How to Dispose of oversized garbage (trash)		<ul style="list-style-type: none"> Pick-up request: Please call to Kasumi Clean Center. Direct delivery disposal: Free, up to 50kg. Additional fees of ¥150 per 10kg needed exceeding 50kg. Bring your ID card to the Clean Center to prove your residence in Ami Town.
Trash that cannot be handled by Ami Town	Tires, batteries, gas canisters, fireproof safes, fire extinguishers, cars and motorcycles (including scooters) and their parts, septic tanks, pesticides, waste oil other than edible oil, gunpowder, chemical agents, solar panels, solar water heaters, bath tubs, pianos, toilet seats, well pumps, agricultural machinery, construction waste (materials generated due to the removal of buildings or structures), logs, tiles, concrete blocks, bricks, gravel, residues, full face helmets, PVC piping, vinyl for agricultural use, Gypsum board, household appliances governed by the Home Appliance Recycling Act, and shaped items used for home medical care, such as needles	<ul style="list-style-type: none"> Please consult a professional disposal service provider, or request disposal by the company that performed the work, the shop that you purchased the product from, or shops that deal with the product. Household electric appliances pertaining to the Home Appliance Recycling Act (refrigerators, freezers, washing machines, air conditioners, TVs, and clothes dryers) are not acceptable, as a rule. Please request disposal by a retail shop or mass merchandiser. For sharp items, such as hypodermic needles used in home medical care, request disposal by a medical institution. Please contact the Kasumi Clean Center if you have any questions.

Acceptance of trash during year-end holidays ○ In 2024, direct delivery disposal is available only until December 28 (Saturday) (9:00 to 12:00 & 13:00 to 15:00).

Notes

- The incineration of trash in the open air is prohibited, with a few exceptions.
- For direct delivery disposal, do not use trash bags designated by other municipalities, or black trash bags.
- Do not take waste discharged from offices or shops to the local collection site. Please use direct delivery disposal, or request an approved service agent to collect and transport the waste to the Clean Center.
- Business-related trash is charged a disposal fee of 230 yen per 10 kg.
- To prevent global warming, please cooperate in reducing trash by using separate collection.

In consideration of the environment, we use only vegetable oil inks

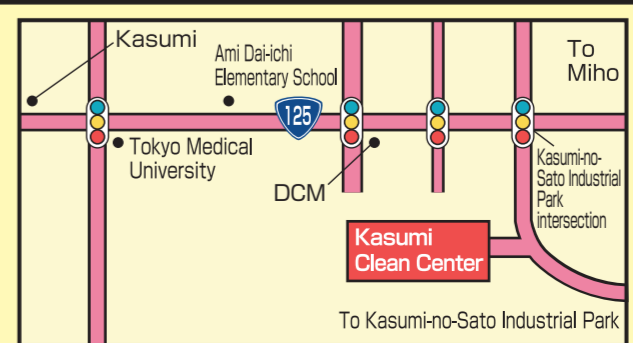

For information on how to separate and dispose of garbage, please see the town's homepage from this QR code.

Ami Town Kasumi Clean Center
029-889-0091
